

VOLUNTEER OPPORTUNITY

FRIDAY, JANUARY 27TH, 2017 MARIN COUNTY HOMELESS CENSUS & SURVEY

**Do you want to make a difference in your community?
Volunteer with your neighbors to help us understand
homelessness in Marin County.**

On Friday, January 27th, Marin County will be conducting our 2017 Point-in-Time Count to understand the number of homeless individuals living throughout the county. We are in need of community volunteers to work alongside currently or previously homeless guides to count the number of homeless individuals they see across all areas of Marin County. There will be a 1-hour training on January 20th to prepare you for the count, and you do not need any experience with homelessness.

The data we collect will be combined with shelter and survey data to give us a valid, accurate snapshot of homeless individuals, youth, and families. The resulting data will also help secure Marin County's funding for homeless services for the following year.

Volunteer Locations
will be in Novato, San
Rafael,
& Marin City

Volunteers must be
over the age of 18
and willing to attend
a one-hour training
on January 20th

Join us on January
