Two bills were chosen for the Board of Supervisors to write letters of support and four bills were chosen to have letters of support sent by the Commission on Aging.

Action Items:

Staff will:

1. Prepare materials for the Executive Committee meeting on May 22, 2017.
2. Update the bill list to be distributed at the June 1, 2017 Commission on Aging Meeting
3. Draft letters for review at the next Legislative Task Force Meeting.

There is a difference of opinion amongst members of the task force regarding sending letters and advocacy. After a thorough discussion it was decided that even though letters advance with the bills, it would be good practice to send another letter addressed to the committee in the “other house” and legislative analyst to the committee. All bases should be covered.

The next Legislative Task Force meeting will be on Friday June 2, 2017.
