**Chair Etemovic reported:**
- Connected with Shirin Vakharia at Marin Community Foundation re: Health Forum.
- “Equity in health technology” is possible future work for this committee.
  - Connect with Ryan Kawamoto, Senior Planet Technology, Bay Area Digital Inclusion.
- In West Marin in June, strategic planning for the next 10 years.

**Vice-Chair Vreeland Long – emailed:**
- Please assist the county of Marin by taking a short survey as they develop a new design and structure for the website. They need our input as advocates for older adults. Go to marincounty.org/navigationsurvey.
- The California Secretary of State has advised county election officials that the Voter Information Guide has now become available in large print and audible formats as well as provided in more than seven languages. This should be helpful for many of our constituents. The primary election is June 7, 2022. Please vote. Your vote is your voice.
**MARIN COUNTY COMMISSION ON AGING**  
*Committee Meeting Notes*

- Novato is growing its Biotech sector by changing the physical footprint of the businesses there. Novato will allow for expansion in size and height of the facilities of BioMarin, Ultragenyx, Marin Biologic labs and more. Novato City Council is supportive of these opportunities for our city.

**Committee Objectives 22/23 Discussion:**
- Digital access and health care
- Work more in nutrition and with Marin Food Policy Council

**Next Meeting:** June 20, 2022
