Dear Community Stakeholders,

Please be advised that the Department of Housing and Urban Development's (HUD's) Notice of Funding Opportunity (NOFO) for the Fiscal Year 2024 Continuum of Care Program Competition was released on July 31, 2024.

The attached **Local Competition Public Solicitation for Project Applications** provides the overall timeline & available funding for this opportunity.

A TA Workshop for all interested parties will be held on Thursday, August 22, from 11:30am - 1:00pm PT via Zoom meeting. Attendance is highly recommended for representatives of any organization that might be interested in applying for CoC funding, including nonprofit organizations, local governments, instrumentalities of local governments, and public housing agencies. The CoC encourages applications from organizations that have not previously received CoC Program funding.

Attendance is required for renewal and new project applicants applying for funding in this year's CoC competition - please coordinate with staff to ensure at least one representative from your organization will be in attendance.
