PUBLIC HEALTH ADVISORY

THIS ADVISORY SERVES AS FINAL NOTIFICATION OF DEDICATED ACCESS FOR PHASE 1A HEALTHCARE PERSONNEL TO MARIN COUNTY COVID-19 VACCINE CLINICS.

Background

Marin County Public Health is currently vaccinating all healthcare workers following the U.S. Advisory Council on Immunization Practices (ACIP) and California Department of Public Health (CDPH) prioritization frameworks. Phase 1a health care workers include staff at long-term care settings (e.g., long term care facilities, group homes), healthcare providers, including dentists, mental health providers, and veterinarians. This also includes staff who work at healthcare clinics.

This advisory encourages all qualifying Phase 1a healthcare workers who live or work in Marin County to receive the COVID-19 vaccine. Marin County anticipates opening vaccine clinics to Phase 1b next week.
