SITUATION: All hospitalized, E.coli O157 patients have been released. They are now recovering at home. Marin County Public Health's investigation into the source of these infections is ongoing.

At this time, there are no additional cases and no evidence of ongoing risk to the public. Marin County Public Health continues to work with Marin County Environmental Health and the California Department of Public Health. Updates will continue to be posted as they become available

FOR MORE INFORMATION

For clinical or general questions, please call Marin County Communicable Disease Control Team at (415) 473-7805 or (415) 473-4163. For laboratory questions, please call (707) 784-4410. Marin County Public Health Updates are posted online at www.marincountyhhs.org.
