

MARIN COUNTY CRISIS CONTINUUM

The Crisis Continuum aims to reduce the gaps in service for individuals experiencing behavioral crisis in the community. The continuum offers a breadth of response from prevention to acute crisis intervention services.

Outreach and Engagement

- Engages with people in a low barrier manner
- Meets with individuals in the community where they feel the safest
- Able to continue to build rapport and maintain relationships until the individual is willing to find support
- Composed of a Clinician and a Peer Case Manager
- Operates Monday through Friday

Transition Team

- Community based brief intervention team
- Works with individuals in the homeless continuum to prevent loss of housing and supports to maintain current housing status
- Provides support after crisis services to offer short term case management and linkage to appropriate services
- Composed of two clinicians, a family partner and a peer case manager
- Operates weekdays from 10 am-6pm

Mobile Crisis Response Team

- Authority to place individuals on a 5150 hold with the option to transport to PES
- Capacity to provide crisis intervention services in the field
- Able to respond and partner with CIT and law enforcement
- Composed of two clinicians and two peer case managers
- Operates 7 days a week from 1-9 pm
