Seeking Board Guidance

- Consider Two Year AB 1421 pilot program starting FY 17-18
 - Pending adoption of AB 1421 as part of the FY17-18 budget
 - Scale program for up to 5 clients to complete court process
 - Revisit census if demand is greater
 - Explore prioritizing enrollment to Medicaid population
- Continue to explore establishing a Transitional Residential Program
 - Progress Foundation as lead contractor
 - Continue community outreach and engagement process
- Explore establishing Psychiatric Health Facility (PHF)
 - Sonoma/Marin partnership
- Expand Medication Assisted Treatment
 - Enhance services to individuals with alcohol and opiate abuse disorders
- Explore expansion of Behavioral Health Services in jail
 - Expand behavioral health treatment in jail
 - Enhance re-entry planning focusing on linkage to behavioral health care

Repeal/Replace of Affordable Care Act

GOP PROPOSED "AMERICAN HEALTH CARE ACT"

- Repeals Medicaid expansion option (covering adults below 138% federal poverty level) and enhanced federal match dollars
- Repeals “essential health benefits” requirement for Medicaid to provide the same as commercial plans
- Repeals access to Medicaid for those without proof of citizenship or lawful presence
- Transition to a “per capita” allotment
 - Imposes per enrollee limits on federal payments to states
 - Uses state’s FY2016 spending as base year to set targeted spending
 - Any state with spending higher than specified targeted aggregate amount would receive reductions to Medicaid funding for the following year

AB 1421 Overview

KEY ELIGIBILITY CRITERIA

- History
 - Aged 18+
 - 2+ Psychiatric hospitalizations/ past 36 months - or -
 - 1+ serious acts of violence/past 48 months

- Clinical Determination
 - Serious Mental Illness
 - Condition Substantially deteriorating
 - Declines voluntary treatment
 - Unlikely to survive in community without supervision
 - AOT would be least restrictive setting
 - Will likely benefit from AOT

- AOT Services
 - Intensive client care provided by multidisciplinary team
 - Court order for treatment, but cannot compel compliance
 - Housing assistance
 - Medication cannot be provided involuntarily

AB 1421 Experience

Nevada

- 7 years
- 67 referrals
- 30 AOT court orders
- 5 adversarial hearings

Orange

- 12 months
- 389 referrals
- 126 accepted voluntary services
- 16 petitions
- 3 court orders

San Francisco

- 5 months
- 59 referrals
- 12 accepted voluntary services
- 1 petition
- 0 court orders

San Diego

- 5 months
- 376 referrals (includes IHOT)
- 20 voluntary AOT clients
- 0 court orders

Placer

- 6 months
- 10 referrals
- 8 accepted voluntary services
- 2 petitions
- 1 court order refused treatment despite court order

Community Crisis Response Teams

- Transitions: Short term case management to help avoid or resolve a psychiatric crisis
- Mobile Crisis: Mobile response to acute crises in the community in coordination with law enforcement.
 - 80% of the Mobile Crisis Response Team contacts initiated by community members
- Outreach and Engagement: Outreach and support to individuals not willing to engage in treatment, and to their families

1,311

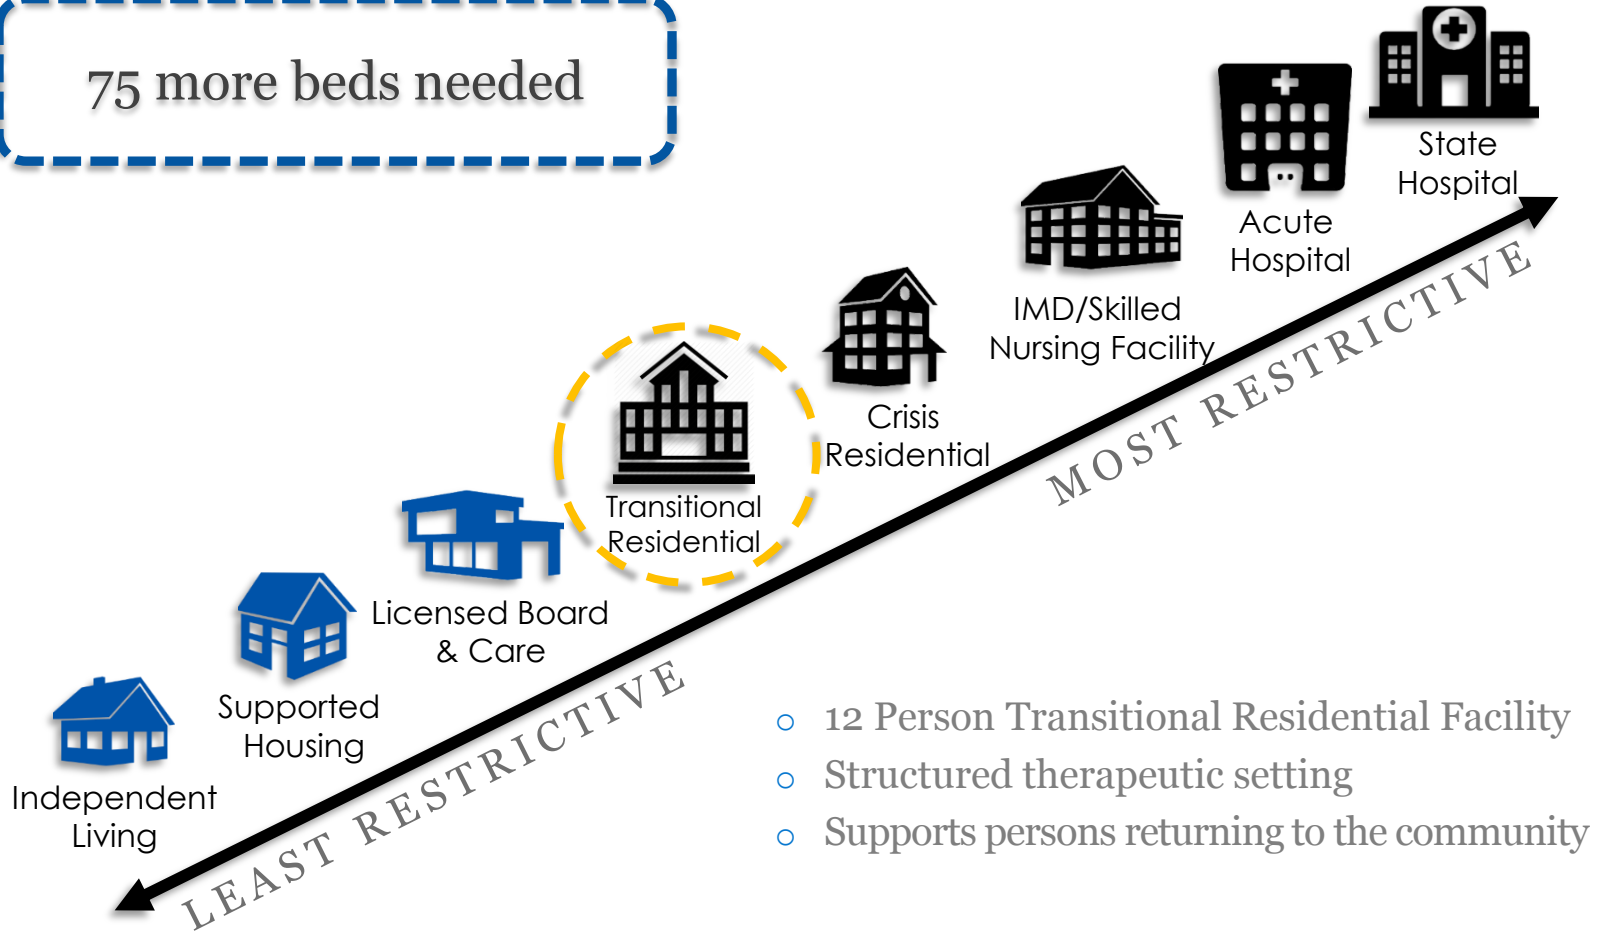

Individuals Served

5,290

Services Provided

Expanding Residential Care

75 more beds needed
