Medi-Cal

Medi-Cal is a public health insurance program that provides medical coverage for low-income individuals that are disabled, 65 years of age or older, those under 21 years of age, and the parents of children deprived of parental support due to unemployment, absence, disability, or death of a parent. This program provides qualified applicants with a medical card that may be used for services at participating pharmacies, hospitals, or doctor’s offices.

CalFresh

CalFresh is a federally mandated, state-supervised, and county-operated government entitlement program that provides monthly food benefits to assist low-income households in purchasing the food they need to maintain adequate nutritional levels. All U.S. citizens or Legal Permanent Resident children may qualify to receive CalFresh benefits, regardless of where the parents were born. Parents may also qualify for benefits if all other program guidelines are met.

The WIC Supplemental Nutrition Program is a supplemental food and nutrition program for low-income pregnant, breastfeeding, and postpartum women and children under age five who have a nutritional risk. WIC participants receive checks or vouchers to purchase specific foods (eg. Eggs, Milk, Infant Formula, or Whole Grain Options) each month to supplement the diets of women, infants, and children. 415)473-6889
