As Marin County Medi-Cal beneficiaries, if you think you are or a family member needs substance use services, call the Access Line at 1-888-818-1115 (toll free) or if you are hearing/speech impaired, call the California Relay Service (CRS) at 711 (TTY/TDD). The Access Team will perform a screening and referral to a DMC-ODS Plan provider, who will perform an assessment to determine medical necessity based on American Society of Addiction Medicine (ASAM) criteria. If necessary, the Access Line provides authorization for residential treatment.

Unless noted below, all providers are accepting new beneficiaries. Note that all of the below Providers can accommodate persons with physical disabilities and serve Marin Medi-Cal beneficiaries, even if the site is not yet Drug/Medi-Cal certified.

Como beneficiario(a) de Medi-Cal del Condado de Marin, si cree que usted o un familiar necesitan servicios contra el consumo de sustancias, llame a la Línea de Acceso al 1-888-818-1115 (número gratuito), o si tiene algún impedimento del habla/oído, llame al servicio California Relay (CRS) al 711 (TTY/TDD). El Equipo de Acceso realizará una evaluación y dará una referencia al proveedor del Plan de DMC-ODS, quien hará una evaluación para determinar la necesidad médica con base en los criterios de la Sociedad Norteamericana de Medicina contra la Adicción (ASAM, por sus siglas en inglés). Si es necesario, la Línea de Acceso proporciona autorización para un tratamiento residencial.

A menos que se indique a continuación, todos los proveedores están aceptando nuevos beneficiarios.. Observe que todos los Proveedores siguientes pueden adaptarse a las necesidades de personas con discapacidades físicas y atender a beneficiarios de Medi-Cal de Marin, incluso si el sitio aún no recibe una certificación de Medicamentos/Medi-Cal. Los siguientes Proveedores también han recibido capacitación en competencia cultural.

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory.

Los servicios pueden ser provistos por un proveedor individual o por un equipo de proveedores que trabaja bajo la dirección de un médico licenciado que opera dentro del alcance de su práctica. Sólo los profesionales de salud mental licenciados, exceptuados o registrados y los proveedores licenciados de servicios de trastornos por uso de sustancias aparecen en el Directorio de los Proveedores del Plan.
