

# Where to Get Vaccinated in Marin County

- ✓ The best place to go for all immunization requirements is your regular Primary Care Provider.
- ✓ We recommend that you make an appointment as soon as possible.
  
- ✓ Your child may qualify for low or no cost vaccines through the Vaccines for Children (VFC) Program if he/she is younger than 19 years old and:
  - Is Medi-Cal or Child Health and Disability Prevention (CHDP) eligible; or
  - Is uninsured (does not have private health insurance); or
  - Is an American Indian or Alaskan Native.
 Ask your provider if they participate in the VFC Program for more information.
  
- ✓ **\*Please bring your immunization record with you to each visit!\***
