**Welcome, Introductions and Updates**

New Members: Cristin Brew, Spectrum LGBT Center. Jane Ireland, Marin Meals On Wheels Mental Health intern. Raul Munoz, HHS – CFS.

MHSA Budget: No changes at this point. FY 10-11 should be secure. Unclear after that.

MHSA PEI Statewide Projects: We are still in the process of joining the JPA, looking more closely at how they are approaching choosing projects. For more info about the JPA see California Mental Health Services Authority website.

**Reporting Forms**

We reviewed: *PEI Annual Evaluation Report Instructions*  
*PEI Annual Evaluation Report Form (draft)*  
*PEI Annual State Report Form (final)*

Final versions will be sent out within 2 weeks.

**Family Support** – Rebecca Smith, HHS Division of Public Health/CHPS

Rebecca presented the Family Support Blueprint.

It can be viewed at: [www.co.marin.ca.us/familysupport](http://www.co.marin.ca.us/familysupport)

The PEI planning process and the Family Support Blueprint development were linked. It is a blueprint because it lays out strategies and recommendations that can be implemented by a variety of organizations throughout the county. PEI Programs are implementing a number of the recommendations.

**PEI Screening, Assessment and Brief Intervention Tools**

A summary (and some examples) of tools used by PEI Programs was distributed by email. We reviewed them and had a brief Q&A. For more info there are contact people for each agency on the form. If PEI programs have questions about the validity or usage of a tool they can contact Kristen for possible consult with the PEI Eval consultants.

**Closing**

Next meeting needed to be changed due to Labor Day weekend.
