**REQUEST FOR PROPOSAL
TO PROVIDE TITLE III B LGBT SUPPORTIVE SERVICES
FROM JULY 1, 2022 THROUGH JUNE 30, 2023**

Marin County Department of Health and Human Services (HHS), Office of Aging and Adult Services (AAS) is issuing a Request for Proposal (RFP) to seek qualified public or nonprofit providers for the provision of the federal Older Americans Act (OAA) Title III B Support Services Program. Funds for Title III B are contingent upon the availability of federal, state, and local funds. The Title III B Supportive Services RFP may be found at [Department of HHS RFP website](#).

Only one proposal may be submitted from a single agency. Collaborative proposals that show a strong inter-agency partnership to develop a robust program that does not lead to duplicative or fragmented services are highly desirable. The proposal must also identify strategies to reach lesbian, gay, bisexual, transgender (LGBT) individuals, people of color, low-income and previously underserved communities as relevant to the services being proposed.

When preparing a proposal in response to this request, please:

- ✚ Carefully read the entire RFP document before you start.
- ✚ Attend the Bidders' Conference, as noticed in this document. However, all applications received by the submission deadline will be considered regardless of whether the applicant attends the Bidder's Conference.
- ✚ Make sure that all procedures and requirements of the RFP are accurately followed and addressed.
- ✚ Carefully review the entire proposal prior to submittal and use the checklist provided in this RFP to make sure everything has been completed as instructed.
- ✚ Submit a complete proposal by the required deadline.

I. INTRODUCTION

A. About Marin County Aging and Adult Services (AAS)

The Marin County Office of AAS is a major branch within the Marin County Department of Health and Human Services (HHS). AAS acts as the Area Agency on Aging (AAA) and works closely with the Marin County Commission on Aging (MCCOA), a 23-member advisory council representing supervisorial districts, towns and cities of Marin, and the California Senior Legislature. In partnership with the MCCOA, AAS has the overall responsibility of planning, coordinating, administering funding, and advocating for a comprehensive and integrated community-based service system to meet the needs of older persons in Marin County. In addition to the AAA, AAS oversees the Long-Term Care Ombudsman, Adult Protective Services, and In-Home Support Services programs.

B. About the Planning and Service Area

The State of California is divided into 33 Planning and Service Areas, or PSAs, for the administration of the OAA and Older Californians Act. In each PSA, a single agency has been designated as its AAA charged with the responsibility of fulfilling the statutory mandates contained in both Acts. Marin County is designated as PSA 5 with its AAA administered by AAS. The County Board of Supervisors serves as its board of directors.

II. PROGRAM DEFINITIONS

Supportive Services is defined in Title III, Part A Section 301(A-D) of the federal OAA as fostering the development and implementation of comprehensive and coordinated systems to serve older individuals by entering into new cooperative arrangements for the planning and provision of supportive services and multipurpose senior centers, in order to:

- Secure and maintain maximum independence and dignity in a home environment for older individuals capable of self-care with appropriate supportive services;
- Remove individual and social barriers to economic and personal independence for older individuals;
- Provide a continuum of care for vulnerable older individuals;
- Secure the opportunity for older individuals to receive managed in-home and community-based long-term care services.

A. Eligible Service Population

Services must target older adults aged 60 years and above living in Marin County, with attention to low-income older individuals, including low-income minorities, persons with limited English-proficiency, and rural residents Selected Applicant(s) must ensure provision of programs and services to all classes that are protected by State and Federal law.

B. Priority Populations

The 2019 [Older Adults Needs Assessment](#) that informed the 2020-2024 Area Plan conducted by the AAA is instrumental in informing the service priorities sought in this RFP to address the needs and issues of concern expressed by older adults in Marin. The California Code of Regulations (CCR) Article 3, Section 7312 requires the AAA to allocate an adequate proportion of federal funds to provide services in the Title IIIB program categories of Access, In-Home Services and Legal Assistance.

According to the 2014-2019 American Community Survey, there are 76,000 persons over the age of 60 in Marin.¹ This represents 29% of the population of the county. Of Marin's population which is currently age 60 and older, 43% live alone. Marin's older adults mostly identify as Caucasian at 90%. Five percent identify as Asian and 1.5% as Black or African

¹ American Community Survey 5-year Estimates (2014-2019). Population 60 Years and over in the United States, Marin County.

American with 4.7% percent identifying as Hispanic or Latino ethnicity.² The 2019 AAA Needs Assessment Study found that four percent of older adults in Marin identify as being LGBT.³

Aligning with the Marin County HHS Department’s Strategic Plan to Achieve Health and Wellness Equity ([HHS Equity Plan](#)), the AAA seeks proposals that will serve older adult persons of color proportionally to the racial/ethnic makeup of Marin County’s older adult population. The HHS Equity Plan is built upon the Marin County Board of Supervisors’ definition of equity: *Just and fair inclusion in the County where all can participate, prosper, and reach their full potential. Equity efforts seek to rectify historic patterns of exclusion.*

Moreover, the Marin County AAA’s [Older Adults Needs Assessment](#) found significant disparities between older adult persons of color and their Caucasian counterparts. Some of these disparities were around food insecurity, employment and unemployment, caregiving and whether individuals feel they are respected members of their community.

Many LGBT older adults also face similar disparities and have lived through discrimination, social stigma and violence. For some members of the LGBT community, fear and social stigma have disrupted their lives, their connections with their families of origin, their lifetime earnings, and their opportunities to save for retirement. The effects of a lifetime of stigma, discrimination, and violence put LGBT older adults at greater risk for physical and mental illnesses. These effects can include: social isolation, depression and anxiety, poverty, chronic illness, delayed care seeking, poor nutrition, and premature mortality. In addition to poor health outcomes, research also suggests that LGBT older adults are less likely than heterosexual, and/or cisgender older adults to access mainstream aging services and providers, senior centers, meal programs, and other services because they fear discrimination or harassment.⁴

The funding allocated in this RFP is to be targeted to serve LGBT older adults, yet services shall be open and accessible to persons over 60.

III. AVAILABLE FUNDING AND PRIORITY AREAS

Available Funding

OAA Title III B Supportive Services funds in the estimated amount of **\$28,750** are available for a comprehensive program for the 11 ½-month period of July 15, 2022 to June 30, 2023. Funding is estimated to be **\$30,000 for the following year (12-month period).**

Proposal narratives must be accompanied by a clear, concise and reasonable budget for **each**

proposed service category for the grant period July 15, 2022 to June 30, 2023 using the budget form provided in this RFP.

Funding Priority Areas

Marin County AAS is seeking qualified home- and community-based not-for-profit or public agencies to provide programs that will respond to the identified needs of LGBT older adults in Marin County. Results of the quantitative Marin County AAA's [Older Adults Needs Assessment](#) guided the prioritization of services in this RFP as described below. These areas should be prioritized for funding to respond to the most pressing service needs identified in the [Older Adults Needs Assessment](#). This RFP seeks applicants that can show their ability to develop approaches and programs in these priority areas as described below.

This RFP also encourages bids that demonstrate the ability to provide services (as appropriate) in alternative formats, such as online or via teleconference, given the unknown duration of the current or any potential future of state and local public health orders for older adults.

One applicant will be awarded the total amount of allocated funding. Applicants must select **two or more** of the following service categories as defined by the California Department of Aging. For each service category, indicate the number of units (per the service descriptions below) to be provided and the associated amount of funding requested for those units of service. Applicants must clearly delineate each proposed service in the Program Description section of the narrative response. In addition, a separate budget using the budget template provided is required for each proposed service.

IV. CONTRACTING PERIOD AND PROVISIONS

A. Eligibility and Contract Period

Any private, nonprofit, or government entity that can meet the goals, standards, policies, and contracting requirements of AAS for providing services in Marin, as described in this Request for Proposal, is eligible to apply.

The contract period will be July 15, 2022 through June 30, 2023. Annual contract renewals for each of the next three years will be contingent on success in providing services and meeting contracted goals for each of the prior contract periods. All contract requirements noted herein and all contract provisions in the standard contract shall apply. By submitting an application, the applicant agrees to be bound by all terms and conditions of the County's standard contract, and execute the same, if selected. An authorized representative of the successful applicant shall be required to sign the County standard agreement.

Collaborative proposals with a single organization that has subcontract arrangements for specifically defined units of service with other agencies are highly encouraged. In this situation, the primary contracting agency must monitor and hold all subcontractor agencies to the same provisions set forth in the standard contract. AAS may negotiate changes to the project narrative and budget after the selection process is completed, but before the contract is signed, to assure that all program and fiscal requirements are covered.

B. Matching Requirements

Matching contributions mean local cash and/or in-kind contributions by the contractor, subcontractor, or other local resources (referred to as non-matching contribution) that qualify as match for the contract funding. The required minimum program matching contributions for Title III B Supportive Services is 10.53%. Minimum matching requirements are calculated on net costs, which are total costs less program income and non-matching contributions.

C. Use of Funds in Addition to Supportive Services Funds

Title III B Supportive Services funding generally does not cover all costs of providing a service or program. It is an incentive funding and may require other sources to support the program. Proposals will receive points based on their ability to provide adequate support for the program.

D. Contributions for Services

Regulations under Title III of the OAA require that each service provider provide an opportunity for persons to contribute to the cost of the service. Contributions must be voluntary, and no service can be denied if an individual will not or cannot contribute to the cost of the service. These contributions will be recorded as program income and must be used to pay for current allowable costs of the program in the same fiscal year that the income was

earned. Fees, including sliding fee scales, cannot be charged for Title III B services. Applicants applying for funds must have an established system for collecting contributions and include that system as part of the application. New applicants must develop and indicate in the proposal a system for collecting donations.

E. Program Materials

All publications and written and digital communications, including e-newsletters, organizational websites and social media, materials developed by the program must include the following statement: "Funding for this program is made available, at least in part, by the Marin County Area Agency on Aging."

F. Supplanting other Funds

Funds available under the Supportive Services portion of the Older American's Act shall supplement and not supplant any federal, state or local funds. These funds are meant to expand services to caregivers and to reach previously un-served communities.

G. Applicable Laws and Regulations

Proposals shall conform to all applicable provisions of laws and regulations, including, but not limited to, the OAA of 2006 as amended, the Civil Rights Act, the Americans with Disabilities Act, the Older Californians Act, and applicable federal, state and local laws, codes ordinances and regulations, as well as the terms and conditions required by the original funding sources for the programs and services described by this RFP and the terms and conditions of the County's standard contract. These references are available at the AAS office for review upon request.

H. Coordination Requirements

Coordination with local providers of similar and related services for caregivers is required, both in planning and implementing the service. Successful applicants should be willing to share information with, and provide referrals to, other service providers, including cooperation and coordination in obtaining client authorization for release of confidential information. AAS further requires that coordination activity be documented in the application and in appropriate reports for funded programs. Collaborative applications are encouraged and must include Letters of Support from partner agencies that will be subcontracted for services proposed.

Promotion of AAS' Information and Assistance unit is required. Successful applicants must be willing to share information, and work to create a strong system of the aging service network. This should be documented fully in the application form.

I. Reporting and Monitoring Requirements

All successful applicants shall utilize computerized data reporting systems (e.g. California GetCare/California Aging Reporting System) to comply with the California Department of Aging, Administration on Aging, Aging Program Information System, and AAS reporting requirements. Service and financial reports must be submitted by the due date of each month

determined by AAS.

All successful applicants shall maintain statistical and financial data in such a way as to document and assure the accuracy of the data presented in the required program and financial reports.

AAS may conduct one or more of the following activities for program monitoring: review cases, conduct site visits, interview a random sample of clients who have received the service, interview agency staff and volunteers, interview other agencies who provide services to the same target population, and any other method deemed necessary. Fiscal monitoring will also be done and include one or more of the following activities: case review, site visits, desk audit, and yearly contract resolution. Applicants will cooperate with AAS in any evaluation techniques in order to improve program performance and comply with federal, state and local regulations.

J. Maintenance of Performance Levels

For all services funded by the Title III B Supportive Services, each successful applicant shall maintain the contracted units of service level throughout the contract period. Unless there are extenuating circumstances, for each quarter in which the performance is reviewed, the number of units served shall not fall below **90%** of the level expected for the period being monitored. Should performance fall below the 90% expected service level for the period, the contractor may be required to submit a written Plan of Action to AAS within 15 days of receiving the monitoring report from AAS, detailing specific steps to be taken, including time frame, to remedy performance. If the contractor fails to fulfill the contracted unit of service level within that time frame, AAS may institute sanctions as described in AAS' Sanction and Hearing Policy (see section XVI).

K. Audit Requirements

An annual audit by a Certified Public Accountant must be delivered to AAS within 120 days after the end of your organization's fiscal year. This is an allowable program expense (up to a maximum of \$600) and should be reflected as a line item in the detailed budget. For all new applicants, please submit a copy of the most recent financial audit with the application.

The County will not accept any amendments, clarifications, revisions or alterations after the proposal due date unless the changes are requested by the County.

If submitting a hard-copy proposal, the application package must include an original, four copies, and an electronic copy saved in a USB device or CD. A separate application package must be completed for each service bid.

Proposals received with insufficient copies cannot be properly disseminated to the evaluation committee and other reviewers for necessary action and therefore will not be processed. Faxed copies are not accepted.

If submitting proposal online, upload all required documents here:
<https://www.marinhhs.org/rfp/2022-07>

The application package must contain all of the following items and must be presented in the order listed below:

A. Application Face Sheet (Attachment A)

Complete the Application Face Sheet of this RFP. Include the completed Face Sheet with each copy of a complete application packet. The Face Sheet includes an Application checklist. Applicants must complete the checklist and ensure that all required documents are provided in the response package.

B. Narrative Response (Attachment B)

Using the Narrative Response Form of this RFP, respond to the questions and information requested in order to describe the Applicant's capacity to administer LGBT Supportive Services and successfully fulfill its requirements and deliver the services. Narrative responses should be

provided directly on the Narrative Response Form and must not exceed 12 pages total, including the form itself. If the total number of pages exceeds the parameters stated herein, the additional pages will be discarded and will not be reviewed.

C. Program Budget

Using the [Sample IIB Budget Template](#) of this RFP, provide a breakdown of all the costs associated with providing the services proposed in the application. In addition to the grant being sought from the County, identify other funding sources to cover all costs outlined in the budget. One budget must be submitted for each proposed service.

Matching Contributions mean local cash and/or in-kind contributions by the Applicant, subcontractor, or other local resources that qualify as match for the contract funding. Cash and/or in-kind contributions may count as match, if such contributions are used to meet program requirements. Matching contributions must be used for allowable costs in accordance with the Office of Management and Budget (OMB) circulars. Matching Contribution for Supportive Services is 10.53%.

Non-Matching Contributions mean local funding that does not qualify as matching contributions and/or is not being budgeted as matching contributions. (e.g., federal funds overmatch, etc.).

D. Letters of Support

Include a minimum of two letters of support from partner organizations. The letters of support should highlight the partnership of the recommender with the Applicant, citing specific examples of projects and efforts to coordinate services and improve clients' access to local resources.

VIII. EVALUATION CRITERIA AND SELECTION PROCESS

Proposals will be evaluated based on the following criteria:

- A. Organizational Capacity (25 points maximum): history, experience, and capacity of the organization providing similar services to the target population.
- B. Program Design and Approach (55 points maximum): planned services, goals and objectives of proposed program, evaluation strategies, outreach and marketing, service to targeted populations, including LGBT older adults and older adult persons of color in proportion to the racial/ethnic makeup of Marin County's older adult population.
- C. Administrative and Fiscal Qualifications (20 points maximum): cost effectiveness and efficiency of the services proposed.

Proposals received in response to this RFP will be evaluated in several stages. Staff will initially screen the proposals to assure compliance with all requirements of the RFP and all relevant federal and state laws. Proposals not meeting the minimum requirements shall be deemed non-responsive and will be automatically disqualified.

An evaluation committee comprised of parties with knowledge of the needs of older adults and knowledge of the services intended in this RFP will review and score proposals that pass the initial screening according to the criteria and assigned points specified above. The committee shall not include AAS staff or potential contractors and no committee member may apply or assist others in applying for this contract. The County reserves the right to seek clarifying or additional information from applicants, potentially including site visits or agency interviews. Committee members will score each application based on the criteria and score sheet at the end of this RFP. All committee members scores will be tallied, and the committee's highest scoring bidder will be recommended to the Director of AAS who will make the final decision on the winning bidder. An applicant may not be recommended for funding, regardless of the merits of the application submitted, if it has a history of contract non-compliance with the requirements of Marin County Department of HHS or other funding source or poor past or current contract performance with any HHS or other funding source. The applicant may be given a provisional award with the stipulation that special terms and conditions regarding the areas of concern will be a part of the contract.

Following the evaluation and selection process, staff will negotiate with successful respondents to determine the contract terms and conditions. County reserves the right to reject or to seek modification of any offer if, at the County's sole discretion, the offer does not meet the overall service and performance objectives. No award is final until the County of Marin approves the funding and the respondent has an executed contract.

IX. NOTICE OF AWARD AND POST AWARD

Contract award will be announced on **Monday, June 13, 2022**. All Applicants will be notified of the award decision by e-mail with a hard copy to follow by post.

Once the notice of award has been issued, the provider(s) selected will be contacted to execute the County's standard contract. At that time, the selected provider(s) and the County may discuss adjustments to the budget and the scope of work. No other provisions of the County's standard contract will be negotiated. Refer to Section XVI.iv., for a copy of the same.

All applicants awarded a contract under this bid process will be required to adhere to the reporting requirements set forth by AAS, as well as to provide any additional data needed to satisfy other County, state or federal reporting requirements.

Award of a contract under this process does not preclude the County from conducting another RFP process for these services at a future date.

X. PROTEST PROCEDURE

Within five calendar days of the issuance of a notice of intent to award the contract, any Applicant that has submitted a proposal and believes that AAS has incorrectly selected another

Applicant for award may submit a written notice of protest. The notice of protest must include a written statement specifying in detail each and every ground asserted for the protest. The protest must be signed by an individual authorized to represent the Applicant, and must cite the law, rule, local ordinance, procedure or RFP provision on which the protest is based. In addition, the Applicant must specify facts and evidence sufficient for the County to determine the validity of the protest.

A. Delivery of Protest

All protests must be submitted in writing and received by 4 p.m. on Monday, June 20 by email to lpullen@marincounty.org or at the following address:

Marin County Department of Health and Human Services,
Aging and Adult Services
10 North San Pedro Road
San Rafael, CA 94903
Attention: Lee Pullen, AAA Director

Protests should be transmitted by a means that will objectively establish the date the County received the protest. Protests or notice of protests made orally (e.g., by telephone) will not be considered.

B. Protest Decision

The appeal will be reviewed by Lee Pullen, Director, AAA/AAS. The decision of the Director on the protest is final and will be sent to the protesting Applicant by email with a hard copy to follow by post.

XI. COSTS OF PREPARING AND OWNERSHIP OF PROPOSALS

Costs for developing proposals are solely the responsibility of applicants. The County will not provide reimbursement for such costs. The proposal documents shall become the property of the County upon submission.

XII. CONFIDENTIALITY

Applicants acknowledge and agree that the County is a public agency subject to the disclosure requirements of the California Public Records Act (“CPRA”). If Applicant’s proprietary information is contained in documents or information submitted to the County, and Applicant claims that such information falls within one or more CPRA exemption, the Applicant must clearly mark such information “CONFIDENTIAL AND PROPRIETARY” and identify the specific lines containing such information.

In the event of a request for such information, County will make reasonable efforts to provide notice to Applicant prior to any disclosure. If Applicant contends that any documents are exempt from the CPRA and wishes to prevent disclosure, then Applicant is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Marin County before the County's deadline to respond to the CPRA request. If Applicant fails to obtain such remedy, County may disclose the requested information without penalty or liability.

Applicant further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees and attorneys' fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction) by the Applicant.

XIII. MOST FAVORABLE TERMS AND INCORPORATION OF PROPOSAL

The County and AAS reserve the right to make an award without further discussion of the proposal submitted.
